About Us

CodeChef Student Chapter

Chitkara University's CCSC: CodeChef Student Chapter is a community for and run by tech nerds and competitors in competitive programming. The community's mission is to advance the culture of competitive programming and to host events in a variety of fields to prepare students for the workplace. In our three year of operation, we have successfully hosted 40 events in association with a number of companies.

About The Event

Phosphores Is The Codechef Student Chapter's Annual Flagship Event, With A Huge Prize Pool And Biggest Fun Opportunity For The Students To Collaborate And Participate At Interdepartment Level.

There Are 35 Shortlisted Teams Who Will Participate In The Event.

There Are 250 Students In The Event's Participation Pool. The Focus Of The Event Is On Capital Trading,Resource Management And One On One Coding Battles. Students Compete In Teams, Over A Duration Of A 24-Hour Competition.

The Event Is Jam-Packed With Entertaining Activities, Engaging Sessions And Engaging Games.
